ABOUT ME

I am a commercially driven and results-oriented e-commerce and marketing professional with experience in building and scaling online stores. I thrive in dynamic, fast-paced environments with high variety and close collaboration, and in recent years I have worked in start-up and growth environments where I gained broad experience and early responsibility in my career. I am motivated by analyzing data, testing creative strategies, and creating measurable results for businesses.

EXPERIENCE

E-COMMERCE MANAGER, AT HOME AS, OSLO - 2023- (CURRENT)

- Established and scaled an online store with full responsibility for commercial strategy, operations, and customer experience.
- Optimized the entire value chain from product presentation to logistics and the customer journey, improving efficiency for both customers and internal processes.
- Increased gross margin from 44.3% to 48.8% through data-driven assortment management, SEO strategy, and a higher share of organic traffic.
- Reduced return rate by 15% (2023–2025) through improved product information, size guidance, and customer insights.
- Optimized marketing budget and other sales-related costs with a focus on profitable growth and ROI.
- Developed and implemented a paid digital advertising strategy with primary focus on Meta Ads and Google Ads.

E-COMMERCE B2B PROJECT, PETTER OPPEGAARD AS, OSLO - 2025

- Mapped customer needs and translated them into functional and technical solutions.
- Developed and implemented an online store with a customized user flow tailored for B2B customers.
- Streamlined the assortment and ordering structure, simplifying the purchasing process.
- Transformed the sales model from manual order handling to a digital self-service solution.
- Contributed to more efficient order processing, increased availability, and an improved customer experience.

FOUNDER, TRYST AS, OSLO - 2020-2023

- Built and scaled an e-commerce-based jewelry brand from idea to an established business.
- Led the entire value chain from design and product development to production, logistics, and sales.
- Established and optimized supplier chain and production partnerships in China.
- Developed and implemented a digital growth strategy across Meta Ads, Google Ads, Pinterest, and TikTok.
- Managed the customer journey and customer communication with a focus on brand building and customer loyalty.
- Held overall responsibility for finance, cost control, and profitable operations.
